Company Brochure

自他一体

自他一体 (Ji Ta Ittai) - Integration of Oneself and Others

Our corporate philosophy is "Ji Ta Ittai" which means that we recognize all the happiness and agony of others as ours.

Our ultimate goal is to contribute for social development by cooperating with our stakeholders. Therefore, we want to become able to provide required information and products for all over the world.

CEO

Yoshiharu Miura

M E S S A G E

Since April 1978, we have been supported by customer and cooperating with them as a wholesaler and retailer in Japan.

During those period, we have gained knowledge from the business and experienced numbers of business activities.

Thanks to all of our customers and partners that we have a good business relationship today.

Based on our motto and experience, we would like to keep getting better with all the people in the world for our future.
